Introduction | The Opportunity Myth
To study instruction, we observed full-length class periods and assessed (1) whether students were doing what they were asked; (2) whether they were being asked to work on grade-level content; and (3) whether teachers were using instructional practices that gave students the chance to do most of the thinking in the lesson.

Structural Racism in American | Urban Institute
Sep 17, 2020: Throughout this country’s history, the hallmarks of American democracy—opportunity, freedom, and prosperity—have been largely reserved for white people through the intentional exclusion and oppression of people of color. The deep racial and ethnic inequities that exist today are a direct result of structural racism:

Structuralism - Wikipedia
There is considerable similarity between structural literary theory and Northrop Frye's archetypal criticism, which is also derived to the anthropological study of myths. Some critics have also tried to apply the theory to biological sciences, but the effort to find unique structures in individual life processes runs counter to the structuralist. However, others also include humans, animals, or combinations in their classification of myth. Stories of everyday human beings, although...

The Shampoo pH can Affect the Hair: Myth or Reality?
The surfactants in contact with the water attain the structural formation of a micelle [14,19,20]. Their structural becomes spherical with a hydrophilic exterior, which can be rinsed with water, and a hydrophobic interior where the fats and residues are bound [15,21]. Depending upon the electric charge of the polar extremity, the surfactants are:

The Root Causes of Health Inequity - Communities in Action
STUDIALLY INEQUITIES. As described above, structural inequities refer to the systematic disadvantage of one social group compared to other groups with whom they coexist but are denied the social and cultural structures of the fabric of society. In Figure 3-1, the outermost circle and background indicate the context in which health inequities exist. Structural inequities encompass policy, ...

The Myth of Racial Disparities in Public School Funding
Apr 20, 2011: Achievement disparities among racial and ethnic groups persist in the American education system. Asian and white students consistently perform better on standardized tests than Hispanic and black...
In the Philippines, a type of love song known as the Kundiman had existed since the early 19th century. But in the early 20th century, Kundiman had developed into art song. The term Kundiman comes from the Tagalog phrase “kung hindi man” or “if it were not so.” Written in the Tagalog language, these folksongs were subtly patriotic but typically disguised as love songs.
