The Road to Eternal Life - Michael Casey - 2022-09-01
In the Prologue of his Rule, St. Benedict maps out the road that leads to heaven, he lays the foundation for life in a community of prayer and work. His rule called The Rule of St. Benedict is a roadmap to the life of prayer, community, and work that can be found in a book – a bridge to the rich tradition of Christian monastic life that has flourished throughout the world – obedience, humility, prayer, fear of the Lord, eternal life – are grounded in the Prologue. By reflecting on the Prologue once at a time, Michael Casey feels that it can be a powerful guide for our lives. He is the perfect interpreter in this journey into the rich content of Benedict’s words. He is the expert commentator on the most important aspects of our lives: love, work, honor, trust, freedom, and peace. Casey, OCSO, delves into the richness of meaning that can be found in Benedict’s words. These reflections, first given as talks and made available on his community’s web site, build a bridge between the sixth-century text and twenty-first-century Christians. For those who are readers to reflect on the Prologue in light of their own experiences, to seek the road that leads to salvation.

Tiger on the Road - Tim Woodruff - 1989
This is the first complete biography of one of the great pioneers of Western literature. Fisher was an author whose literary career was colorful and unpredictable. As a young man, he was a Bolshevik revolutionary, a Soviet officer, a member of the Communist Party, a communist. After Fisher was forced to flee Russia and lived in Paris and the United States, he became a crack reporter covering the Spanish Civil War. Fisher later wrote as放松 [人名] and became a successful screenwriter. Fisher was a prolific and influential writer. He wrote about many topics, including politics, literature, and social issues. His works are still popular today. His autobiography, “Tiger on the Road,” tells the story of his life from his early years in Russia to his later years in the United States. The book is a fascinating read for anyone interested in Fisher’s life and work. Fisher was a controversial figure in his time, and his autobiography sheds light on the events of his life and the people he knew.

A book that “spool[s] volumes about our need for connection—human, felin[...]

The Ends of Life - Keith Thomas - 2010-02-25
How should we live? That question was no less urgent for English men and women who lived between the early sixteenth and late eighteenth centuries than for this book’s readers. Keith Thomas’s masterly exploration of the ways in which people sought to lead fulfilling lives in those centuries between the beginning of the Reformation and the heyday of the Enlightenment illuminates the central values of the period, while casting incidental light on some of the perennial problems of human existence. Consideration of the origins of the modern ideal of human fulfillment and of obstacles to its realization in the early modern period frames an investigation that ranges from work, wealth, and possessions to the pleasures of friendship, family, and sociability. The cult of military prowess, the pursuit of honor and reputation, the nature of religious belief and scepticism, and the desire to be posthumously remembered are all drawn into the discussion, and the views and practices of ordinary people are measured against the opinions of the leading philosophers and theologians of the time. The Ends of Life offers a fresh approach to the history of early modern England, by one of the foremost historians of our time. It also provides modern readers with much food for thought on the problem of how we should live and what goals in life we should pursue.

Life on the Road (tours of the rock group recount their life on tour from 1962 to 1998, tracing their relationships with one another, their musical evolution, and their experiences, in an album featuring some one thousand photographs from their career. 125,000 first printing. Tour.

The Road to Becoming - Jenny Simmons - 2015-08-25
No matter how great or how terrible life is going, one thing is for sure—it’s going to change. Sometimes it happens in an instant—you get married, you have a baby, you lose a loved one, you lose a job. Sometimes, it happens over time. But ultimately, it’s a process, it’s a journey. This book will guide you through that process and help you find your true self. This book will help you find your true self and decide what you want in life. It will help you find your true self and decide what you want in life. It will help you find your true self and decide what you want in life. This book will help you find your true self and decide what you want in life. It will help you find your true self and decide what you want in life. This book will help you find your true self and decide what you want in life.

A Song for the Road - Kathleen Basi - 2021-05-11
Cheryl Strayed’s Wild meets Kathleen Basi’s How to Walk Away in Kathleen Basi’s debut novel about an unconventional road trip and what it means to honor the ones we love. It’s one year after the death of her husband and twin teenagers, and Miriam Toldeo has lost faith in humanity and herself. When a bouquet of flowers that her husband always sends on their anniversary shows up at her workplace, she completely unravels. With the help of her best friend, she realizes that it’s time to pick up the pieces and begin to move on. Stop one is not even cleaning out her family’s possessions, but just taking inventory starting with her daughter’s room. But when she opens her daughter’s computer, she stumbles across a program her daughter has created detailing an animated cross-country road trip, for her and her husband to take as soon-to-be-empty nesters. Seeing and hearing the video clips of her kids embedded in the program, Miriam is determined to take this trip for her children. Armed with her husband’s guitar, her daughter’s col[...]

My Life on the Run - Bart Yasso - 2009-05-12
With My Life on the Run, Bart Yasso—an icon of one of the most enduringly popular recreational sports in the United States—offers a touching and humorous memoir about the rewards and challenges of running. Recounting his adventures in locales like Antarctica, Africa, and Chilean National Park in Nepal (where he was chased by an angry yaks), Yasso recommends the best marathons on foreign terrain and tells runners what they need to know to navigate the logistics of running in an unfamiliar country. He also offers practical guidance for beginning, intermediate, and advanced runners, such as 5-K, half marathon, and marathons training schedules, as well as advice on how to become a runner for life, over-easy to bowl from the sport and embrace the adventure that each race may offer.
